

The Grid is Now Forming

The Largest Vintage Race Event of the Year

We Want You and Your Vintage Racer for
NAMGAR GT-44 In Dubuque Iowa, July 10-14 2019
and the
MG Vintage Racers Focus Event at Road America
July 16-21, 2019

The North American MGA Register (NAMGAR) will be holding GT-44 in Dubuque Iowa in 2019. NAMGAR salutes the Vintage Racer as we are assembling the largest group of Vintage Race cars since MG 2001 for display, show, and other fun. We are celebrating Vintage Racing and MG race cars in particular. **WE WANT YOUR RACE CAR IN DUBUQUE!** Plan on being with us the week before the MG Focus Event at The Vintage Festival at Road America. **ALL MAKES AND TYPES OF VINTAGE RACERS ARE WELCOME!** We promise you a good time, a showcase of your car to the car enthusiasts of the Midwest, the perfect venue for your race car and the best time you can have without your race suit on. This is your chance to talk Vintage Racing with car enthusiasts and racers from all over the midwest. We even have garage ramp parking for your race car so no worries about weather and lots of trailer parking. Our guest of honor, acclaimed race driver, author and commentator **David Hobbs**, is waiting to meet you and see your car. We've also secured a private track day for practice at Road America for MG Vintage Racers on July 16. Contact MMGVR.com for updated details often.
